

Stop searching! You have just discovered total Security Solutions.

If you are a busy security professional struggling to find the time to keep up with all the developments in Australia's rapidly growing security industry, then it is time to relax, as we have done all the hard work for you.

Security Solutions Magazine is Australasia's leading security resource for business, government and the security industry. Through Security Solutions Magazine, readers enjoy regular access to information from the region's leading experts on such vital issues as terrorism, operational security matters, technological developments, risk management and IT security, as well as the latest news on events and industry trends from Australia and abroad.

Here are just three reasons why you need to subscribe to Security Solutions Magazine:

- As a busy security professional, you can ensure that you are kept abreast of all the latest trends and developments in the security industry through one, easy-to-read resource delivered directly to your desk.
- Become a part of a network of like-minded security professionals and receive invitations to upcoming industry events relating to all aspects of the security industry.
- Receive access to up-to-the-minute, informative and insightful editorial written by the region's leading professionals across a wide array of areas including physical security, electronic security, national and IT security.
